EDUCATION

B.Tech in Computer Science Engineering (CSE)
Silicon Institute of Technology

08/2017 - Present   *8.61 cgpa*

Higher Secondary Education
The Modern Academy, Kolkata

2015 - 2017   *90.00%*

Secondary Education
The Modern Academy, Kolkata

2013 - 2015   *94.80%*

PERSONAL PROJECTS

Automatic Image Captioning (12/2019 - 12/2019)
- Implemented CNN-RNN architecture to produce captions

Facial Keypoint Detection (11/2019 - 11/2019)
- Implemented CNNs using pyTorch

Twitter US Airline Sentiment Analysis (10/2019 - 10/2019)
- Capstone project in Udacity MLND

Dog Breed Classification (09/2019 - 09/2019)
- Implemented CNNs using Keras

Online Quiz App (08/2019 - 10/2019)
- Full Stack application made with Java (JSP, JDBC, MySQL)

Finding Customer Segments (06/2019 - 06/2019)
- Applied Unsupervised Learning algorithms to draw insights

WORK EXPERIENCE

Software Engineer Intern
Spikewell

05/2020 - Present   *Bhubaneswar, India*
Achievements/Tasks
- Created a restaurant ordering Android app
- Currently working on a live client project as React Developer

SKILLS

Machine Learning   Deep Learning

Full Stack   Algorithms   Data Structures

Android   React

ACHIEVEMENTS

Times of India NIE Challenge Finalist (2014)

L.I.C. Student of The Year (2013)

UtkalHacks 2.0 Best Blockstack Hack Winner (2020)

Infosys Certified Software Programmer (2020)

COURSES

Machine Learning Nanodegree (04/2019 - 10/2019)

React Nanodegree (02/2020 - 04/2020)

Front End Developer Nanodegree (05/2020 - 05/2020)

Computer Vision Nanodegree (10/2019 - 01/2020)
